European Countertops Collection

Bookmatch & Fourmatch Capability

*Make it Simple
But Significant*

Made in Italy

Synchronized Pressure Laminate

Finish: **TOUCH (SUPER MATT)**

Dimension: 140 x 420 cm

A friendly color with strong character, in which the play of gradients merges with the background of the neutral and deep color.

Gray details on a textured background with short veins give the color depth.

Maximum Resistance to Fire and Heat

SPL has a very good resistance to high temperatures without affecting its aesthetics or its properties.

hot utensils, appliances, pots and can be placed directly on the surface without any danger or harm.

Stain-Resistant

Because of its virtually zero porosity, the new surface SPL is highly resistant to everyday domestic stains and chemical agents.

Even the most stubborn stains such as tea, coffee, ink and rust can be easily cleaned.

Splashes and drops of everyday cleaning products such as bleach or degreasing oven cleaners do not cause any harm to the material.

Scratch-Resistant

SPL is a surface that is virtually impossible to scratch. household utensils and other sharp objects do not scratch the material.

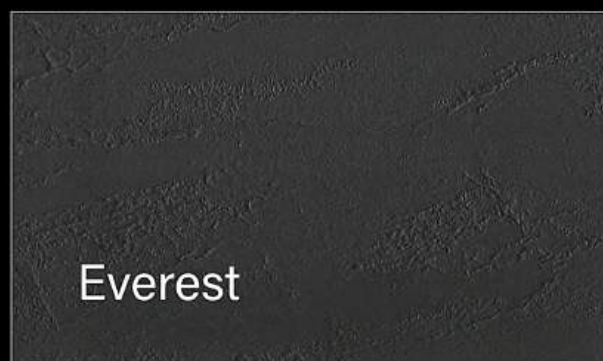

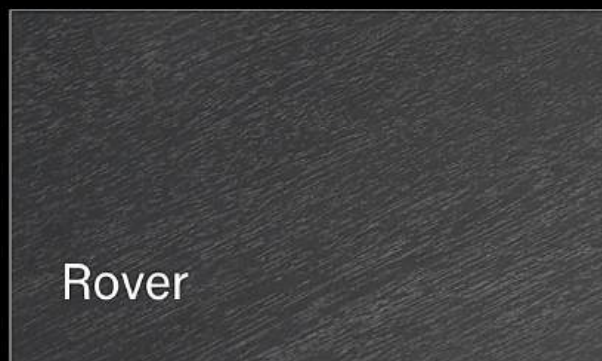

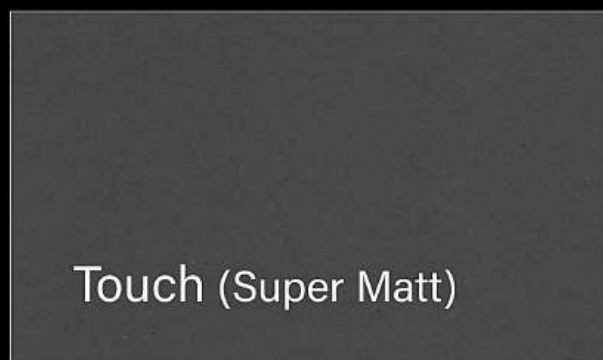

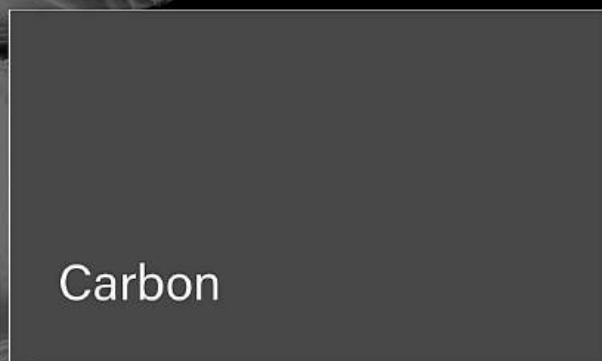

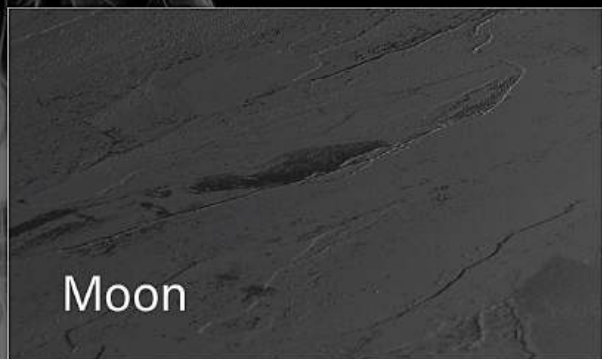

However, we recommended the use of cutting boards to prevent blunting any household utensils.

SPL ADVANTAGES

SPL Finishes

Finish: MOON

A finish that transforms the pristine appearance of a natural stone into a laminate surface.

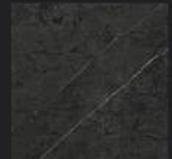

Perfect choice for contemporary kitchen tops.

SPL
Glossy
Colors

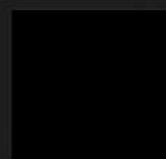

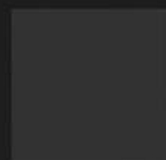

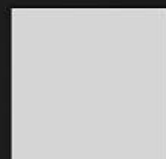

Finish: GLOSSY

With a gloss level of 112-115 at an angle of 60 degrees, Glossy is a highly reflective surface. When applied together along with MAR (Micro Abrasive Resistant), Glossy becomes highly resistant to micro scratches. Glossy finish can be easily postformed and available in all designs and decors.

Finish: CARBON

A distinctive surface treatment on Carbons decorative layer gives a silky and smooth tactile user experience. Its high resistance to micro-scratches and abrasion helps avoiding surface distortions and gives a lasting impression. In the event of a light scratch, the surface can be cleaned with a soft cloth to get it back to its original form. Carbon is extremely matt and near to zero gloss with intensive light absorbance and homogeneous color dispersion.

SPL
Rover
Colors

Finish: Rover

A two toned finish, matt in nature with a slight gloss that resembles a wood veneer surface.

Finish: Touch (Super Matt)

A finish that has a soft and smooth tactile and optical quality. One of the most common for all round applications.

SPL - Volcano

SPL - Enzo Gold

SPL - Enzo Light

SPL - Elara

SPL - Jasper

A horizontal rectangular panel showing a light brown wood grain texture. The grain is relatively straight and runs horizontally across the panel. There are some small, dark knots and variations in tone.

SPL - Willow

A horizontal rectangular panel showing a medium brown wood grain texture. The grain is more pronounced and wavy than the Willow texture, with some darker, swirling patterns.

SPL - Stone Wood

A horizontal rectangular panel showing a light brown wood grain texture. The grain is very fine and straight, with a distinct horizontal pattern that resembles finger joints.

SPL - Finger Joint

A horizontal rectangular panel showing a solid, uniform dark gray color. There is no wood grain or other texture visible.

SPL - Carbon Gray

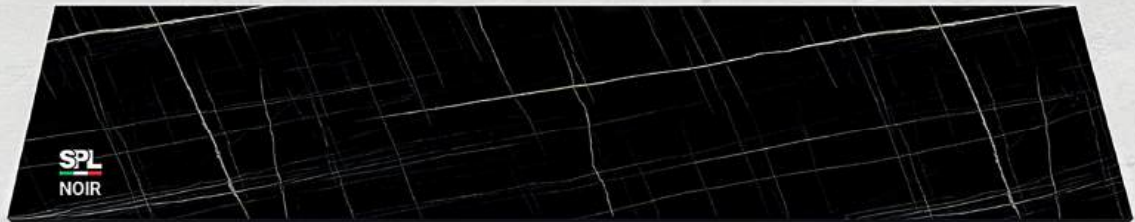

A horizontal rectangular panel showing a solid, uniform light beige or cream color. There is no wood grain or other texture visible.

SPL - Carbon Beige
